

Introduction to the Big 6

Notes

1. What is the task? What should I be able to do as a result of this process?
2. Where can I see the complete Big6 picture so I'll know what the finished puzzle should look like? Is it easily available to me? What are the big 6 so I can answer the quiz questions correctly? Who can I ask for help?
3. How will I find the Big6? Is it online? Is it in a book? Is it on a poster or brochure?
4. How can I remember the Big 6 and what the picture looks like before I create the puzzle and take the quiz?
5. Assemble the puzzle to match the Big6 graphic I found. Take the online quiz.
6. How could I tell that I created the puzzle correctly? Time myself to see if I can put the puzzle together faster a second time. How well did you answer the quiz questions? Do you think you can name the big 6 and describe them to a classmate?
